At Bar Douro, we celebrate the unique character of Portuguese wines, the extraordinary diversity of terroirs from such a small country, and the spirit of its dynamic winemakers.

Our cellar champions Portugal's old vines and celebrates its indigenous grape varieties, of which there are over 250 across 14 regions. It brings together centuries-old traditions, from Talha winemaking to foot-treading in lagares, while spotlighting Portugal's most innovative projects and a new generation of cutting-edge growers. Every bottle on this list is part of a journey through Portugal: a story of faces, places, and traditions brought to life with pride and passion.
